1	anonymous	With regards to school is active in responding to any concerns I agree but in a negative matter. A strong dissatisfaction with senior staff making parents feel they are not approachable.
2	anonymous	I am very happy with the opportunities my child gets at Chilcote. The staff have always been supportive and are lead by a good leadership team, who are approachable and helpful.
3	anonymous	I find the staff at chilcote approachable and helpful. The detailing of the curriculum is extensive- sent to us to access via ping termly which means we can support the children's learning at home. On top of this on the homework sheet sent home each week a discuss at home topic is provided which is helpful in engaging with our children at home and opening conversations up about what they have done at school. There has always been a good selection of clubs for children to attend before and after school with an even more expansive range been introduced this year. My child is making progress but it is hard for me to honestly measure wether he could be progressing further or not however this academic year I feel that with the support from an experienced member of staff has been vital to his development with intervention groups available during the school day and after. I have not had much knowledge of the disciplinary procedure the school (thankfully) but am slightly aware of what it entails and I feel it is a positive policy with effective strategies in place. The school keep us updated with all we need to know and the week ahead in particularly useful. Whenever I have needed to speak to a class teacher I have been able to easily arrange this by emailing the office who signpost and arrange the appropriate outcome. Although my child doesn't enjoy school in general (he would rather play football and gaming all day) he loves being at chilcote and only speaks positively of his experience there.

4	anonymous	My child feels very uncomfortable learning about sex education and has expressed this at home. The school however is in favour of teaching this as part of the curriculum not allowing parents or children to opt out.
5	anonymous	Be good to understand what extra curricular activities are available for which year. I believe some as just by invitation.
6	anonymous	Great school but needs more after school clubs that don't focus on sport. Too much pressure on children as well especially around exam time.
7	anonymous	I am very happy with my child's first year at school I am very satisfied with the staff and ther abilities to make the transition from nursery to reception a much easier chapter im my childs life than thought it would be for both parents and child this is all down to the wonderful staff throughout the school
8	anonymous	No big issues , but I feel my daughter in year 2 maths side of her learning has been pushed back, in comparison to my year 1, this is due to change of staff midyear but also that all maths is taught as whole class and not groups like phonics in year 2. Whereas in year 1 they have group maths , and I feel this has really helped my daughter massively with her maths as she is in ability led groups.
9	anonymous	The school is fantastic and my child loves going in every morning- what more could I ask for!
10	anonymous	Hopefully could get pictures of kid in school activities update from time to time too
11	anonymous	The teachers at Chilcote are professional and work hard to look after the children. You can tell they care and enjoy their job. There is a lot of fun things going on for them inside and outside the classroom. We are grateful our daughter attends here. Sometimes we have felt the rules e.g. attendance, uniform etc have been a bit strict for a young child, but appreciate the school goes up to much older children. Occasionally information on important dates has been a bit late getting to us which has made parent attendance harder e.g. sports day, changed inset days . But overall we are very pleased. Thank you teachers and staff.

12	anonymous	My child has really enjoyed Year2 even with the change in class teacher- which did cause some disruption as reading was not monitored well , but it was addressed immediately once raised with staff. The extra curricular activities and PTA events provide an excellent opportunity to engage and interact with the school and other parents.
13	anonymous	Chilcote primary school is safe learning & exploring place with peaceful environment for my children & for us. Respect!
14	anonymous	More needs to be done when a child is approaching teachers repeatedly regarding negative behaviour from other students.
15	anonymous	I feel more could have been shared re SATS YEAR 2. My child had not done enough practice on reasoning using past papers at Chilcote school
16	anonymous	My daughter suffered from severe eczema, she is uncomfortable most fin the time at nursery as the environment isn't always suitable to her needs. Her eczema is often more flared up than when she is at home. Lately she has been unable to attend nursery due to her eczema becoming infected and causing a lot of sleepless nights hence difficult to get up for school in the mornings
17	anonymous	Chilcote school exceeds my expectations and continues to provide a safe and nurturing environment for my children. Consistency is key - staff are committed and dedicated. Thank you Mrs Doherty and your team .
18	anonymous	Thank you to everyone making Chilcote Primary School such an amazing place for children. In terms of the after school clubs, it has proven rather difficult to get a place for children that have parents with certain jobs that imply no access to phone at particular times. Would it be possible to announce the day before when the clubs will be made available for applying on the platform, and then parents can at least make sure to have a try, or delegate to family . It would be very appreciated if the school would be able to keep the same provision for music and instruments as in the previous years, with opportunities for concerts etc. Thank you

19	anonymous	Happy with everything, can you arrange all the the teacher training days in the same week.
