11 Responses

ID	Name	Responses
1	anonymous	Think the school is great if child has no SEND needs if child is challenging the school does not support the children well enough with their additional needs, punishments for their disabilities rather the different techniques should be used to avoid effects of the children's mental health
2	anonymous	It would be lovely to have some less sport-based after school clubs available to all years, but understand that this is down to staff availability. Ultimately, however, my daughter is a happy member of the Chilcote community, which is all we ask for.
3	anonymous	Could you provide more lunch options to cater for children with allergies, e.g., dairy free puddings, vegan pizza on pizza day?
4	anonymous	The extra curricular clubs are fewer for Infants. It would be good to have more opportunities for the younger children. For instance infant choir and instruments. I believe there did used to be more opportunities pre-Covid for Infants.
5	anonymous	Chilcote remains a school to be very proud of. The Senior Management Team and all teachers have dealt with a very difficult year admirably
6	anonymous	More sport diverse clubs
7	anonymous	Some extra sport clubs
8	anonymous	Not happy with the blanket policies , the bad communication and the fact that this school only cares about numbers and percentages rather than individual needs and issues. Total lack of support towards children with special needs .
9	anonymous	My child hates school.
10	anonymous	Would be nice to have more extra curricular activities for younger children like choir or drama or crafts.
11	anonymous	More information about what my child is learning
