October 2024

Dear Colleague,

Equal Access – Girls' Football in Schools

The Football Association and our partner, Barclays, are committed to providing equal access and opportunities to girls in the curriculum and through extra-curricular provision. This is delivered through our Barclays Girls' Football School Partnerships to ensure that all girls can participate in our national sport - this is only achievable through the hard work of people like yourself.

England Women continue to inspire a nation after being crowned European Champions in 2022 and lobbying their government. They ensure that all girls can dream of one day being a Lioness by having the opportunity to play at school. Thank you for making this a reality.

On behalf of The Football Association and Barclays, I would like to thank you for making a difference in young people's lives by providing equal access to girls' football at your school.

I am enclosing your Equal Access School plaque to mark your achievement. We would love you to celebrate your achievement on social media using the hashtag #LetGirlsPlay.

Yours sincerely,

Sue Campbell

Baroness Sue Campbell DBE
Women's Football Director
